

Orange County's Premier Charity Golf Event October 6th, 2010 Tijeras Creek Golf Club

Please join us in memory of Edith Muller-Stach to support diabetes research and the JD RF.

For many years, Edith -- mother of SMI's principal, Markus Muller-Stach -- volunteered selflessly for a number youth sports teams, and could often be seen on Saturdays throughout Orange and Los Angeles Counties cheering on youth football games. Please help us continue to increase the awareness that Edith championed -- to continue the fight against diabetes.

"Edith's Charity Golf event is not just another charity event. It is a day filled with fun, friendship, and a great golf venue, but mostly it is a day to honor a wonderful lady who made a difference in the world. It is also an opportunity to support JD RF and its mission to fund research that will lead to a cure for diabetes and its complications. We hope you will join us."
